

# GTC Summer camp... No other camp like us!

Summertime is rapidly approaching and it's time to start thinking about summer camp registration. Summer Camp is one of GTC's favorite times of the year; last summer was such a blast and we are so excited to see what adventures await us this summer.

GTC offers an opportunity for every child to grow and develop in new and exciting ways. We believe through gymnastics, your child can learn life skills such as dedication, determination, positive discipline and confidence. In addition, summer camp will encourage friendships, team work and cooperation.

## Our Facility

Our facility boasts 15,000 Sq. Ft., is air conditioned, has an indoor rock-wall, three foam pits, an in ground trampoline, tumble track, and a bars, beam and vault area.
